- Paid Time-Off in Available in the First Year!

Over 100 years, and five generations, Frasier's continues as the leading name in residential plumbing, heating & cooling services in Northern Wisconsin.

With great benefits and a strong emphasis on career advancement for every team member – Frasier's is wonderful place to work and build your career.

We are passionate about taking care of our team and offer some of the best compensation in the country.

We understand that for our clients to be treated with “first class” service, we need to provide that level of care to our team as well.

Our team members enjoy:

- Steady work hours
- Friendly and safe work environment
- Great benefits
- A “family”/“open-door” mindset
- Respect at every position and level of the company.

Where we live is a huge aspect of each of our quality of life and, together, as a company. Northern Wisconsin is a great place to call home. A large percentage of our clients are vacation home owners – the Rhinelander area is a vacation destination. For many people who move to the area for work, it's a wonderful surprise to realize that you live and work in paradise.

Plumbing Service Technicians determine service needs, quote prices, and perform repairs. Employees must be able to interact and communicate well with clients in their homes and businesses.

Ideal candidates will understand:

- Boiler operation
- Sewer cleaning or jetting
- Basic repairs of faucets and pipes
- All interested candidates must be able to assemble, install, and repair pipes, fittings, and fixtures of heating, water, and drainage systems, according to specifications and plumbing codes.

Job Duties:

- Follow the outline of company policies and procedures.
- Communicate professionally and respectfully with customers, office staff and coworkers.
- Be thorough in inspections, and accurate in quoting replacements or repairs.
- Arrive on time for work each day.
- Adhere to instructions of supervisors and managers.
- Participate in all required staff meetings and trainings.
- Help maintain and promote a high company moral, professional, and friendly work environment.
- Work hard, smart and efficiently.

Qualifications:

- All qualified applicants must be licensed to plumb.
- Must have experience servicing, troubleshooting, diagnosing, repairing and installing water heaters, tubs, toilets, sinks, faucets, showers, various valves, pipes, drains, water softeners, etc.
- Applicants must have a current driver license and a good driving record as they will be driving company vehicle to customer's homes and businesses.
- 3 years' experience in service work.
- Outgoing, professional, clean cut, aggressive, and drug-free.
- Felons need not apply.
- Should be able to work in a team atmosphere.

Great Benefits:

- Comprehensive Family Health Insurance
- 401k
- Company profit sharing
- Flexible Maternity and Paternity Leave
- Paid holidays
- Ample and progressive paid time off.
- The most competitive pay in the industry. A "green" plumbing tech can be earning over \$50k, while a seasoned plumber (Journeyman or Master) may earn well over \$100k.
- Seasonal company events/parties for our families and some just for the adults.

Our plumber job openings are limited, so apply today!
